

*Dear Sir/Madam,*

*The Terrace Inn would love to host your Holiday Banquet! We have an elegant dining room large enough to seat one hundred people for dinner. Each year we decorate the Inn with a beautiful twelve foot natural tree, holly, hemlock boughs, and poinsettias. With the crackling fire in the lobby fireplace, the Terrace Inn is just like a Currier & Ives Christmas postcard.*

*We've designed some suggested menus to fit every budget, including: wine, champagne, appetizers, soups, salads, entrees, and dessert. Our chef can also customize any of these menus just for you.*

*Book your party with us by October 31<sup>st</sup> and there will be no room charge to pay. Prices include gratuity and are complete except for the six percent sales tax. 6 percent sales tax and 18 percent gratuity is not included in the package price, but will be added to your bill.*

*If a Christmas Party isn't in your plans this year, please accept our invitation to join us for dinner. The Inn's restaurant is open Friday and Saturdays through February, with Sleigh Rides offered every Saturday in January and February (by reservation only). Our menu is delicious and affordable. Feel free to check out our menu online or we can send one to you. Thank you!*

*Sincerely,*

*Mo & Patty Rave, owners*

*Amanda Nelson, dining room manager*
